

On November 1st, 2022, the Park City Fire District Administrative Control Board approved a fee increase for services rendered by the Fire Prevention Bureau. This document gives a brief explanation of the fees. **These changes will take place January 1st, 2023.** The fees reflect the actual cost to PCFD for plan review and inspection services provided by PCFD.

**Plan Reviews and inspections of all types will be charged at the rate of \$160.00 for any portion of an hour.** Annual permits may be issued for certain operations based on need and history.

**Examples:**

**Single Family Residence: \$1,021.66/\$1,181.66**

Impact fee: \$541.66  
Plan Review Fee: \$160.00  
Access/Water Supply Inspection:  
\$160.00

Final Inspection Fee: \$160.00

**Pyrotechnic and Tent Permit: \$320.00**

Plan Review Fee: \$160.00  
Inspection Fee: \$160.00

**Notes:**

1. All plan reviews or inspections that take more than 1 hour to complete will be charged an additional fee based on the time taken for the review or inspection.
2. PCFD will no longer include a free re-inspection with all inspections. It is the contractor's responsibility to ensure that the system being inspected matches the approved plans and is installed according to the applicable standards.
3. All re-inspections must be paid for prior to scheduling.
4. Plan reviews for revisions must be submitted through the PCFD website.
