

Park City Fire Service District Conflict of Interest Disclosure Form

Information and Instructions

*This form was prepared in compliance with the Utah Public Officers' and Employees' Ethics Act, Utah Code Ann. § 67-16-16, which requires "special public officers" to prepare a written conflict of interest disclosure statement and submit it to the governing body of the district **no sooner than January 1 and no later than January 31** of each year during which the special public officer holds elected or appointed office. This form requires a response to each item of information described in Utah Code Ann. § 20A-11-1604(6). This requirement only applies to districts with an annual budget of \$10 Million or greater.*

"Special public officers" include members of a board of trustees of a special district or members of an administrative control board of a special service district.

This disclosure form shall be posted on the district's website within ten days of submission, and the Lieutenant Governor of Utah will be provided with a link to the electronic posting.

Note that it is unlawful for a special public officer to fail to comply with these requirements. Special public officers who fail to comply are guilty of a class B misdemeanor, and the district is required to report violations to the attorney general. Additionally, the district must impose a civil fine of \$100 against special public officers who violate these requirements.

The district shall notify special public officers of a failure to comply within 5 days after the district determines that a violation has occurred and shall direct the officer to submit a report or an amended report to correct the problem within seven days.

For a special public officer who is also a state legislator, a member of a legislative body of a county or municipality, or who is otherwise required to make a written disclosure under another provision of law, you are not required to submit a second conflict of interest disclosure form, but you must provide a link to the disclosure statement posted on such relevant agency's website.

For more detailed information on these requirements, please refer to Utah Code Ann. § 67-16-16, Subsection 20A-11-1604(6)
